Frontier Airlines Will Begin Service at GRB This May

Frontier Airlines is coming to GRB! Starting May 23, Frontier will begin a seasonal, non-stop route to Denver, Colorado.

"We are proud to bring our unique brand of Low Fares Done Right to Green Bay," said Will Evans, Senior Manager, Sales and Distribution of Frontier Airlines. "We will make air travel more accessible and affordable for everyone in northeast Wisconsin, making it easier for people to fly and for people to fly more often."

While low fares are a focus, Frontier offers more than low fares. The carrier gives customers the ability to customize travel to their needs and budget. For example, customers can purchase options a la carte or in one, low-priced bundle called the WORKSsm. This bundle includes refundability, a carry-on bag, a checked bag, the best available seat, waived change fees and priority boarding.

"We look forward to offering the community and the region this new Denver non-stop route with Frontier Airlines," said Marty Piette, A.A.E., Airport Director. "With the convenience of GRB's location and size, getting to Denver can now easily be a stress-free and affordable trip."

This new airline and route is a direct result of the community's support in choosing to fly local at GRB. We would like to thank the community and invite them to take advantage of flying non-stop to Denver from GRB."

New Marketing & Communications Manager Welcomed to GRB

We're happy to announce a new member of the GRB team: Susan Levitte, Marketing and Communication Manager! Levitte is primarily responsible for promoting the GRB brand and reputation throughout Northeast Wisconsin, with a focus on increasing airline service and passenger growth.

Levitte said, "I look forward to combining my marketing and aviation experience in order to help GRB continue to grow. Northeast Wisconsin is a very dynamic marketplace with a lot of opportunity. It's an exciting time to be working at Austin Straubel International Airport."

Previously, Levitte held communication and marketing roles with the Kohler Company in Sheboygan, EAA in Oshkosh and The Karma Group in Green Bay. Levitte is currently working on earning her pilot's license.

Happy Birthday to Fritz!

GRB's Therapy Dog Fritz celebrated his 7th birthday on March 1! We're looking forward to many more years with Fritz as our wonderful therapy dog.

Traveling to a Packers game at Lambeau Field? Book flights soon

Lambeau Field in Green Bay, Wisconsin is an iconic stadium; a stadium that's on many football fans' bucket list. It's also good to know that GRB is the official "Gateway to Lambeau Field." If you have friends or family planning to travel to one of the [Green Bay Packers games](#) at Lambeau this season, we advise making air travel plans sooner rather than later.

"The airlines do increase capacity around Packers home games because they know visiting team fans like to come to our historic stadium; and it's certainly worth visiting," said Airport Director Marty Piette. "However, the closer it gets to the game week, the more challenging it becomes to find flights, especially return flights on the day after the game. That's why we recommend booking early to get the schedule that best suits your needs."
